

Resources & Notes Assignment – Due 2/20/15 – 20 points

This is part 2 of your Unit 5 Composition Research Report. Now that you have submitted your topic choice and some things you want to know, it's time to do the research!

****For an in depth explanation of finding information, please be sure to complete Unit 5 Composition Lessons 3-7.**

Now you should be thinking about what things you want to learn about the career topic you chose. Some questions may include:

- *What exactly does this job entail?*
- *What impact does this job have on society?*
- *How does one prepare for a career like this (ie school, training, college, experience)?*
- *What salary could expect to earn this career?*

For this assignment, you will find THREE resources that will you plan to use in your research report. You must read and examine these resources and provide information about them.

In Sapphire, the assignment will give you three questions about your resources. For each resource you will have to provide the following information:

1. Source Name (name of book, name of website, name of magazine, etc)
2. Web Address (URL)
3. Author (if known)
4. Date of publication (if known)
5. Notes (information you plan to use from this resource)

Wikipedia will not be an acceptable resource for this unit / assignment.
