*You should not only read the listed poetry selections, but you should also complete each lesson to be sure you master the objectives this unit. The Sapphire quiz will measure how well you understand the concepts presented in the lessons.

There are multiple choice questions and two essay questions. Please take your time with the essays and plan them out ahead of time. Use correct grammar, capitalization, punctuation, and spelling. Be sure to use examples from the text and use topic sentences as well.

ESSAY QUESTION 1:

Which poems in this unit address the importance of dreams? How are these poems similar? How are they different?

ESSAY QUESTION 2:

Early critics of Emily Dickinson's poetry often found her work to be too simplistic. They did not find her work to be very original or worthy of attention. Defend the poet's work against

these critics. In the space provided below, state why Dickinson's work is more complex than it appears and well-worth reader attention. Use specific examples from the text.
